

Back to School Night

Wednesday, September 28, 2016

The evening will start with a General Session at 6:15 p.m. in the bowl with our principal, Dr. Morgan Smith.

Back to School Night is our staff's opportunity to present brief overviews of class curriculum and expectations in their classrooms. With the number of parents in attendance and the limited time availability, lengthy discussions regarding your student will not be possible.

You will have an opportunity to visit your student's classrooms according to the following bell schedule. Please take time to fill in your student's classroom schedule and bring it with you. Classroom presentations will last 12 minutes with an eight minute passing bell. Promptness in arriving at each class will ensure that you hear the entire presentation. If you have any problems during the evening, please do not hesitate to ask one of our student guides who will be in the hallways, around the bowl area, and at the main gates as you enter for assistance.

Fill out your student's schedule and bring it with you to Back to School Night.

PE Teachers will meet in the Gym.
